

NiSCA PR-C101

Single Side printer

MADE IN JAPAN

NiSCA's quality and reliability in an entry-level printer.

The PR-C101 single sided printer provides a simple and affordable out-of-the-box solution for high quality, high durability, plastic cards with low maintenance requirements.

The printer is small enough to fit into an office overhead bin or under a counter. Offering the first ever rotating LCD panel and optional front or back exit, the PR-C101 can be placed in any orientation to fit your office environment perfectly. The printer's ribbon cartridge with cleaning assist roller unit is disposable.

The PR-C101 comes packaged with an entry-level badging software application. This basic professional solution is great for every small organization, including police, libraries, schools, clubs, casinos, and more.
